Apple Inc. introduces the Apple News+.

Apple Inc. introduces the Apple Music+.

Apple Inc. introduces the Apple News+. . .

**Concluding..**

It's easy to hypothesize that all visionaries are crazy by cherry-picking examples to confirm this idea, whilst ignoring examples that disconfirm it. Having said that, it's interesting to note that science does, to some degree, validate the idea that the minds of visionaries are sprinkled with a little bit of crazy.

**CRAZY | GENIUS**
